STATE GOLF TOURNAMENT

LILLARD AND GREYER WILL PLAY THE MEN'S FINALS TO-DAY.

The Woman's Semi-Finals Also Will Be Decided-Results in the National Women's Golf Meeting.

Special to the Indianapolis Journal. MARION, Ind., Oct. 11.-The contestants in the semi-finals of the men's championship match, in the state golf tournament now in progress on the Marion links, were played this afternoon, and it was odd that of the four cities represented in the tournament, one player from each tried for the tinals. They were Lora Lillard, of Marion; W. P. Clark, of Terre Haute; Alvin Lockard, of Indianapolis, and Harry Greyer, of Muncie. Lillard and Lockard played

feated Clark, 2 up and 1 to play. In the second round of the men's championship game this forenoon, the players finished as follows: Lillard defeated Hiatt, Marion, 5 up and 4 to play; Greyer defeated Dean, of Marion, 6 up and 4 to play, Lockard defeated Keyes, of Terre Haute, 1 up, 19 holes played; Clark defeated McNaughton, of Muncie, 2 up.

In the first round of the men's championship match yesterday afternoon the scores were as follows: Lillard defeated Masquelette, of Marion, 5 up and 3 to play; Hiatt defeated Gill, of Muncie, 8 up and 7 to play; Lockard defeated Beshere, of Marion, 6 up and 4 to play; Keyes defeated Burford, of Indianapolis, 1 up, 19 holes played; Clark defeated Smith, of Terre Haute, 4 up and 12 to play; McNaughton defeated Boice, of Indianapolis, 3 up and 2 to play; Greyer defeated Thomson, of Indianapolis, 6 up and 5 to play; Dean defeated Gerby, of Marion, 6 up and 4 to play. In the qualifying round yesterday Fred | play. Willson, of Marion, made a sufficiently low score to give him a place in the champion-

ship match play, but a protest was made against him because he violated a ground rule in playing a ball from out of bounds at one time, when he should have returned it to the teeing station, with a forfeiture of a point. The protest carried, and he the championship match to the player having the next lowest score in the qualifying Mr. Keyes then played an excellent game with Mr. Burford, one of the State's best golfers, and defeated the latter. This forenoon Mr. Keyes played another good game, but was unable to defeat Mr. Lockard. Mr. and Mrs. Burford returned home last evening. Mrs. Burford was matched to play Miss Sweetser, of Marion, this afternoon, but by her absence the game was forfeited to Miss Sweetser.

The women golfers played the first round of their championship match this afternoon. The scores follow: Mrs. New defeated Miss Goldthwaite, ? up and 5 to play; Miss Jamieson defeated Miss Wynn, 3 up and 2 to play; Mrs. Nussbaum defeated Mrs. Catterson, 3 up and 2

This leaves the finals to-morrow for the men's championship between Lillard and Greyer, in which thirty-six holes must be played. As Greyer has been defeated several times by Lillard, the Marion members regard it as a "cinch" that the Marion player will win the cup. The women will play their semi-finals to-morrow morning as follows: Miss Sweetser and Mrs. Nussbaum, Mrs. New and Miss Jamieson.

THE NATIONAL TOURNEY.

for the Championship. NEW YORK, Oct. 11 .- The contest for the women's national amateur golf championship will be finished to-morrow between Miss Genevieve Hecker, of the Essex County Country Club, Orange, N. J., ferred on F. E. Meyers & Bro., Ashland, has won it must call attention to athle and Miss Lucy Herron, of the Cincinnati lence of the Meyers numbs.

four players who entered the contest last Tuesday. Miss Hecker is the metropolitan amateur champion and is well known in Eastern golfing circles, while Miss Herron has surprised every one here by her brilliant play, being comparatively unknown as a tip-topper at the game in this section. When the semi-final round was begun this morning Miss Herron was pitted against Miss Margaret Curtis, of the Essex County Club, of Manchester, Mass., and Miss Hecker was paired against Mrs. E. A. Manice, of Lenox, Mass. There were very few of the five hundred golfing enthusiasts who had assembled at the Baltusrol Golf Club links who thought that both of the Massachusetts representatives would be beaten. Many of them believed that Miss Curtis, with her unusually excellent long drives and clever play through the fair green, would be more than able to hold her own against the Cincinnati girl, and the fact that she only won one hole out of the sixteen played came as a complete surprise to everybody interested. The one hole which Miss Curtis won was the first. The next six were halved in fairly good scores, and it was noticeable that whenever either player would make a mistake the other duplicated it. Hence the close play. Miss Herron showed wonderful improve nent in her long game, which may probaly be accredited to her use of the lively ball. Miss Curtis, while playing her usual long game, was unsteady and, in fact, rratic at times. On the eighth hole Miss got into the woods in consequence. This cost her the hole and the lead, as Miss Herron won it in five to six, making the ball. The line-up: game all square. The ninth was halved our, each player having covered the ou ward journey in fifty strokes each. Comiback, Miss Herron won the tenth, giviher the lead by one up. Two halved hol followed, and then the Western play increased her lead to three up by winning the thirteenth and fourteenth. Miss Curt overapproached on the thirteenth, ar after a recovery, missed a short pr Playing the fourteenth the Massachuset girl sliced out of bounds from the tee a was unable to overcome this disadvantage She certainly had hard luck on the fifteen hole, as her ball seemed to have gone into the cup and jumped out again, and instead of winning this hole Miss Curtis had to be satisfied with a half in six, which made Miss Herron dormie three. The sixteenth ole, playing for which neither did any brilliant work, was halved in seven, and then Miss Curtis gracefully congratulated Miss Herron, as the latter had won the match by three up and two to play. The match between Miss Genevive Heckusually large gallery, as nearly 500 persons cllowed the players over the links until the contest was finished on the seventeenth green. The results follow: Lillard defeated driven, was very good on her short game, but ill-luck seemed to follow her rather Lockard, 8 up and 6 to play; Greyer depersistently, and at the turn she was five down. Turning in for home it looked as if Miss Hecker could not lose, but just at this juncture she seemed to fall away in her general play, some of her approach shots being badly judged. Miss Hecker is noted for alternately good and bad playing in nearly every match in which she takes part, but her falling off at this stage of to-day's game caused a great deal of uneasiness among her admirers. Mrs. Manice meanwhile improved in proportion to the deterioration of Miss Hecker's play, and on the sixteenth green she was only one down. She made a supreme effort to square the match on the next hole and made a perfect drive. Miss Hecker was equal to the occesion, however, and clearly outplayed her in 5 to 6. This gave Miss Hecker the match by two up and one to play, and

Special to the Indianapolis Journal. GREENCASTLE, Ind., Oct. 11.-De Pauw's football team goes to Terre Haute to-morrow to meet Rose Polytechnic, in a crippled condition. Four of her men are on the retired list, one of them with a broken leg, and Coach Chez is working the substitutes for all they are worth in an effort to get some of them into condition for the game. The team work was developing well, when the double accident at St. Louis happened, but now the insertion of new men into the line has caused a weakening that may be dangerous, coming as it does with the season well advanced. A good spirit, however, has developed, and this will do much by itself. McKinstry and Pearson are being worked out into the finest line buckers in the State, and Brown is making a good record at full back. RACES WON BY OXFORD BOY. in the new auditorium by funds furnished

Oxford Boy won the two-year-old trotting Futurity after a hard struggle with Grace Eldred, Charles Marvin's entry. The pace set was too swift for the majority of the youngsters, and at the finish of the third heat there were only the two left. Accordingly the son of Red Clute took first, third and fourth money. Olive, Chesko and Baron Wilkes had not crossed the danger line at the finish of the first heat, and Pattie Mc, winner of the first heat, and Gail Hamilton suffered a similar fate in the third. Grace Eldred was \$50, field \$70 in the first heat. In the second she sold at \$50, field \$50. She finished second in each heat. Oxford Boy won the second heat with ease and became favorite at \$50, field \$25, but Grace Eldred took the third in 2:17, record time for the stake made by Fereno last year. Grace Eldred again was favorite at \$50, Oxford Boy \$25. A large sum of money went into the pool box before the last heat. On the second attempt they were sent off abreast for the deciding heat. Grace Eldred took the lead by a length and maintained it all the way around to the stretch. Hard pressed, she broke at the distance pole and Oxford Boy won without a spurt

The \$2,000 Wilson stake, 2:20 class pacing, was won in straight heats by Audubon Boy, the favorite. He was fought to the wire in each heat by Dr. Monical and New Richmond, being forced to lower the record for the stake three-quarters of a second in the first heat and covering the other two miles in the remarkable time of 2:07% and 2:081/2. The record time for the event was 2:071/2, made by Heir at Law in 1896. He

won four of the games, losing the first by a margin of only three plns. The Capital Citys won four from the North Sides and the Crescents took four from the I. B. C. team. The individual scores were as fol-
